

PSE Pay and Benefit Update!!!!!!

Great news! The APWU has very recently negotiated the following pay and benefit upgrades for PSEs:

*Overtime pay at 150% of straight time rate (\$25.79 hour) for all work hours over 8 in a day and at 200% of straight time rate (\$34.38 hour) for all work hours over 10 in a day or over 56 in a week. (Current rules give 150% rate only when PSEs work over 40 hours in a week.)

*Cheaper health insurance premiums for USPS non-career health plan. (Specific rates will be announced in the future.)

*Increased uniform allowance for Sales, Service and Distribution Associates.

*A FOUR (4) hour work guarantee in large offices such as Milwaukee where the PSE is scheduled and reports for work. (Previously, the guarantee was 2 hours.)

*These new rules are supposed take affect within the next 4 months.
