Dear President Mc Kenna,

On behalf of the National Organization Department I am writing you to express our congratulations and thanks for the serious commitment you and your Local have demonstrated toward our goal of achieving a 100% organized union. Enclosed please find the "*Organizing For Our Future ~ Leading The Way*" certificate which is being presented to your Local in appreciation of your organizing commitment.

Through your leadership, the Milwaukee Area Local is one of the top three locals for those representing Representing 1000-1999 Employees employees category! This is a tremendous achievement, but our work isn't finished. Until every bargaining unit employee is a Member of the APWU family we must intensify our efforts. The National Organization Department will continue to provide innovative and exciting organizational tools and strategies to empower every Local to best bring the non-members into the fold.

We appreciate your continued efforts to organize the unorganized and thank you for all your hard work!

If, in the future, you need any materials, information or assistance the Organization Department is here for you and your Local. Only through our mutual efforts will we win in the fight for a 100% Organized APWU.

Organizing in Solidarity,

Anna Smith
APWU Organization Director
