## How to use eBidding

### Log in to LiteBlue with EIN and Password (created in SSP)

**blue** United States Postal Service

#### Welcome to LiteBlue

The next generation in employee communications

LiteBlue is here to help you better communicate with your employees. It's a secure, self-administered system that provides you with a secure, self-administered system for your employees. You don't need a separate system for each of your employees. You can manage your employees' information in one place.

Check the "Other" section of the "My Profile" page to see if you have a new password. If you do, you will be prompted to change it. If you do not, you will be prompted to create a new password.

Remember, as of April 20, 2014, the new SSP for the United States Postal Service will require you to use a new 8-digit PIN (Personal Identification Number) for Self Service IVRS (Interactive Voice Response System).

#### Here's how you log on:

1. Enter your Employee ID and USPS Self Service Password to log on to LiteBlue.

- Your Employee ID is easy to find -- just look at the top of your earnings statement. It's the 6-digit number created just above the words "Employee ID."
- Your USPS Self Service Password is a numeric code standard as of April 20, 2014 that is used to access a range of USPS self-service tools. Some users may not have set up their 8-digit PIN. Visit the Self Service PIN page for more information on how to set up your Self Service PIN. [Click here.](#)

**As of April 20, 2014 this application will require a new password instead of the 4 digit PIN.**
